**URGENT PRAYER REQUEST** - Since the beginning of January, approximately 34,000 Congolese have been displaced amid escalating violence between ethnic groups in the DRC, according to UNICEF. Many people are reported to have been killed in the fighting, some hacked with machetes, and entire villages are said to have been burned to the ground. Most of the displaced have limited access to necessities such as food, water, and medical equipment; many have died of hunger. There are no Alliance international workers in the area. Ask God for His mercy, peace, protection, and provision for all affected by this situation. Pray too for an end to the violence and that the people of this area will turn to Jesus for salvation.

"Therefore the Lord waits to be gracious to you, and therefore He exalts himself to show *mercy* to you. For the Lord is a God of justice; blessed are all those who wait for Him."

(Isaiah 30:18)
